## Forty-Fifth Homecoming Celebration Set

*Her Majesty Jan Vulgamott*

### Vulgamott Reigns At 1959 Celebration

MISS JAN VULGAMOTT, Sigma Sigma social sorority's candidate, was elected Queen of Eastern's 1959 Homecoming celebration at an all-school election last Thursday, September 24.

A senior physical education major from Cerro Gordo, Miss Vulgamott is a Student Senator and a varsity cheerleader. For the past two summers, she was a camp counselor at the recreation camp held on Eastern's campus. She also instructed tennis.

"I don't have much spare time," said Miss Vulgamott, "but I spend a lot of it keeping up with the athletic events here on campus."

A sports-lover, she is especially fond of basketball and tennis. She plays tennis and played in tournaments two years at Millikin University in Decatur. She was Eastern's candidate for MISS NAIA Tennis last spring.

Miss Vulgamott is the daughter of Mr. and Mrs. Roy Vulgamott of Cerro Gordo.

Mr. Gary Lonnon, a senior education major at Millikin University, will be the Queen's escort. He is a member of Sigma Alpha Epsilon social fraternity.

### Parade Starts Saturday Events With Traditional Bands, Floats

EASTERN'S forty-fifth annual Homecoming celebration will get under way Saturday, October 10 at 10 a.m., with its traditional parade of floats and bands.

The parade route announced by the Homecoming Committee begins on Tenth Street at Harrison, turns left on Jackson to the square, proceeds around the square to Jackson, moves to Fourth on Jackson and continues south on Fourth to the Lincoln Field area.

Floats will enter into position on Tenth, and bands will move into the parade from Harrison, according to the announced plan.

The floats will center around the theme of "Homecoming," but no special theme is assigned to the parade.

At 2 p.m., the Panthers will meet the Huskies of Northern Illinois University in their fourth football game of the season. The head greeter will introduce the captains of the opposing teams on the field.

The 14-piece Sauter - Finegan Orchestra will present the annual Homecoming Concert. Scheduled for Lantz Gym, the concert will be held from 7:30 p.m. to 8:30 p.m.

Immediately following the concert, Miss Jan Vulgamott will be crowned Homecoming Queen of 1959. She will be accompanied by three attendants: Miss Sue Bartlett, Miss Mary Lou Rector and Miss Carol West.

At 9 p.m. the Sauter-Finegan Orchestra will provide dancing music at Lantz Gym. Johnny Rinaldo's 12-piece band will also be playing in the ballroom of the University Union.

Both dances will last until 12 midnight.

### House Dec Judging Set For Friday

"VICTORY OVER the Huskies" has been chosen as the theme for the annual Homecoming house decorations. The house decorations will be judged Friday evening on the basis of originality, design, color, workmanship and theme, according to Russell Pence, house decoration chairman, and Richard Cambridge, faculty adviser.

The house decorations are to be divided into two groups for judging. Division "A" will consist of social fraternities and sororities; including Alpha Kappa Lambda, Sigma Tau Gamma, Phi Sigma Epsilon, Tau Kappa Epsilon, Sigma Pi, Delta Zeta, Sigma Kappa, and Sigma Sigma Sigma.

Division "B" will consist of Ford, Weller, McKinney Halls, Pemberton Hall, Lincoln-Douglas Hall, Gamma Delta, Home Management House and the private home of Mrs. Olive Austin of 1061 Seventh St.

Prizes for the winners of each division will be presented Saturday during the half-time ceremonies. The prizes for each division are: 1st prize, \$25.00, 2nd prize, \$15.00 and 3rd prize, \$10.00.

### Business Teachers Invited To Dinner

THE BUSINESS Department is inviting business teachers in the area to eat together in Dining Room A & B of the University on the day of the Eastern Illinois Division Meeting. Mrs. Mary Francis is in charge of this meeting.

Following the meal, plans have been made to organize in such a way as to provide the framework for sectional meetings of business teachers in the future.

### Assembly Slated Tomorrow At Gym

THE HOMECOMING assembly is scheduled for 10 a.m. tomorrow according to Judy Bomkamp, chairman of the assembly committee.

Selections by Eastern's band and war chants by the cheerleaders will open the 1959 annual Homecoming assembly.

Jerry Shan, master of ceremonies, will introduce the principal speakers and announce the Homecoming events scheduled for the weekend.

A satirical skit on campus life, a bit presentation from the light opera "Old Maid and the Thief" and introductions of the football team, the Queen and her court, and the cast of this years Homecoming play are on the program for the assembly.

### Greeter Election Protest Filed

RESULTS OF the greeter election held last Thursday were not available when the News went to press Tuesday, due to a protest filed by two campus organizations.

The protest, made by Delta Zeta and Sigma Kappa social sororities, was to be considered last night at the regular meeting of the Student Senate, according to Jack Rogers, elections chairman.

In a statement to the News, Mary Lou Rector, president of Delta Zeta, and Phyllis Quick, president of Sigma Kappa, said they protested the election after observing a violation of election rules.

According to the two presidents, (Continued on page 7)

## Sauter-Finegan Contracted For Dance

THE SAUTER-FINEGAN orchestra will provide the music for the forty-fifth annual Homecoming concert and dance to be held in Lantz Gymnasium Saturday evening.

The concert will run from 7:30 p.m. until 8:30 p.m. From 9 p.m. until 12 midnight, dance music will be provided in Lantz Gymnasium by the Sauter-Finegan orchestra and in the University Union Ballroom by the reserve band, Johnny Rinaldo's orchestra.

Tickets for these functions will be on sale in the University Union until 4 p.m. tomorrow evening. Prices are: combination concert and dance—\$2 per couple; concert

only—\$1 per couple; dance only—\$1.50 per couple. These prices are for advance ticket sale only. Tickets at the box office will be 25 cents more.

The Sauter-Finegan orchestra, numbering 15 with vocalist, has been called the most musically-daring aggregation in the history of the band business.

For over a decade Sauter and Finegan have shaped the music played by more than a dozen top-flight orchestras. They were, in fact, the principal behind-the-scenes molders of some of swingdom's greatest proponents. Between them they did more to establish the era of swing than any other musical personalities of the time.

Sauter was responsible for most of Benny Goodman's famous arrangements, and also wrote for Artie Shaw, Woody Herman, Red Norvo and Ray McKinley. Finegan wrote countless musical scores for Tommy Dorsey, and was the musical genius behind the Glenn Miller Orchestra.

Sauter and Finegan, now with a band of their own, are provid-

ing some of the most distinctive music of the century. Handpicked by the bandleaders themselves, the musicians of the band form a unit admirably suited to play Sauter-Finegan arrangements.

The line-up, unique for a dance band, includes three trumpets; three trombones; five saxes who also double on flute, piccolo, oboe, English horn, bass clarinet and recorders; piano, bass, drums, guitar, harp and tuba; and, in addition, a special percussion section consisting of xylophone, marimba, chimes, triangle, celeste, tympani, glockenspiel, tambourines and thunder drum.

Approximately 90 instruments are utilized by 14 musicians to interpret the scores created by Sauter and Finegan.

The orchestra has made several radio and television appearances. It recently completed a season as the starred musical attraction on NBC's Saturday night television program, "The Saturday Night Review."

In person, Sauter-Finegan band has been appealing to a most varied audience. (Continued on page 6)

### Pep Rally

THE CHEERLEADERS are sponsoring a pep section for the Homecoming game. Students will have a reserved section next to the band for this purpose.

The pep section is asked to wear white sweaters and dark trousers or skirts, and be at the game at 1:30 for instructions.

## A Word Of Welcome . . .

### From The Present To The Past

ON SATURDAY, three score years of students of Eastern Illinois State Teachers College, Eastern Illinois State College and Eastern Illinois University will make their way back to this campus. We now address ourselves to the alumni of Eastern.

We extend to you a warm welcome. We hope your visit here to that which was yours before it was ours will refresh fond memories that you may carry with you until your next return. We hope that "Victory over the Huskies" will become an historical note to carry back rather than a slogan.

All of you will find the campus in a state of physical change. The immutable dynamics of modern America do not stop for college campuses. The new highway is evidence of that. The class of '62 will be the last to remember the circle.

The University Union, the new dormitories and the Fine Arts Building will represent the state of change to those of you who have not returned in recent years.

These physical changes are to be expected. There are changes, however, that many of you will lament, in fact excoriate.

"What has this thing become?" Many of you will feel that we, the students of today, have lost the spirit of learning as you knew it. You will say, and quite justly perhaps, that we have become pragmatic and/or materialistic; that we are commercialized and mercenary.

We must rise to our own defense. We live in a society whose shibboleth sounds most loudly in the corridors of enterprise and industry. Practical considerations force some of us to dwell longer on thoughts of a secure future than we would like to.

Granted, some of us are too concerned with whether or not we will be able to keep up with Mr. and Mrs. Jones et al, but not too many of us. Those of us in teacher education cannot hope to set the world on fire in a capitalistic sense. There can be no quibbling on that point.

Our philosophies and ideals might stand reworking. They are certainly subject to change in these years of maturation. When we leave here though, do not sell us short. *Whatever* torch you pass to us we will take up.

Enjoy yourselves while you are here. We are happy to have you and we are proud of you.

## It May Well Be . . .

### An Eye For An Eye

SOVIET PREMIER Nikita Khrushchev's recent visit to the United States provided an opportunity for the American people to favorably impress the Red leader with their country and with themselves. They did not choose to do so.

It is only common diplomatic courtesy for a nation to extend a warm, friendly welcome to all visiting heads of state during peacetime. The reception afforded Khrushchev by the citizens of the United States could scarcely be classified as warm and friendly. Instead, it must have been rather evident to the premier that he was not welcome here.

The displaying of "Khrushchev, Go Home!" and other similar signs did not constitute an effort toward international peace. Dignitaries and reporters who purposely needled and irritated a man they knew to be short-tempered did nothing for the benefit of mankind. Those acts only undermine the efforts of those sincere individuals who had hoped to achieve a new friendship and closeness between the two greatest nations in the world.

Mr. Khrushchev's conduct at times was far from the accepted standard of behavior. However, that did not change his role of a guest who was entitled to courteous treatment at all times.

President Eisenhower, in World War II a hero to the Russians, may get a very friendly welcome when he visits the Soviet Union. If, however, he does not, let us remember our treatment of Khrushchev before we criticize the Russian treatment of our leader.

## An Action . . .

### Deserving Of Praise

EARLY LAST week, A. A. Mason, director of the University Union, came to the realization that the World Series was upon us and the University Union was without a television set.

Undaunted, Mason set himself to the task of procuring a television set. He contacted Walt Warmoth, proprietor of Walt's, the Zimmerman Chevrolet Company and King Brother's Book Store. Each of them donated \$100 toward the purchase of the set.

With this bargaining power in hand, Mason went to Replogle's Appliance Store. The \$499 television set, at a dealer's cost of \$360, was given to the University Union for \$300. Replogle's Appliance Store reduced the price to cost and absorbed the extra \$60. Total time consumed: two hours.

In the name of the student body, we offer a vote of thanks to Warmoth, King Brother's Book Store, Zimmerman Chevrolet Company and Replogle's Appliance Store.

An extra special thanks should go to Mason. In recent talks with him we have heard some of the ideas he has to make the University Union a wonderful place for recreation and relaxation.

As director of the University Union, Mason urges individual students to come in and have a chat with him. It is felt that this is the best way to find what the students would really like in the University Union.

The Union is our building. It is for our benefit and our recreation. We should take it upon ourselves to let Mason or his program director, Rudy Gonzales, know what our wishes are. Let us help them when we can.

Thanks again!

## Fish's

### Feelings

By Ken Fish

THIS WEEK'S column is not intended to educate, entertain, or amuse; rather, it is intended to occupy space. No Milwaukee fan could be expected to be constructive or humorous so soon after Black Tuesday. Even if such a thing were possible, it would be extremely disloyal. Please bear with me; I shall try to improve my outlook on life before next week's issue.

\* \* \*

I may not know too much, but I know what I like.

I like my wife because she looks like Charlie Brown, and I certainly like Charlie Brown. Good olé Charlie Brown.

I like Dr. Seymour because he twice brought Stephen A. Douglas' name into a recent round table discussion on Khrushchev's visit to the United States. The conversation was dominated by Dr. Jellison, who is at his best denouncing "those miserable midwest conservatives" at 7:30 a.m. on a hot, humid Summer's day.

I like to eat, so I shall stop writing and do so.

\* \* \*

Fourteen!

## Homecomings Of Past Years

### Ten Years Ago (1949)

THEME OF the Golden Jubilee Anniversary was "Milestones in Charleston History. Ruth St. John was crowned queen at coronation ceremonies, while Tex Beneke and his Orchestra spun the music.

Attendants were Deva Kibler, Marguerite Rhodes, Esther Whitchurch, and Pat Brotherton. The Panther football team met Northern Illinois amid rain and mud on Lincoln Field, winning 15-6.

On the first play from scrimmage, Howard Boudreau hit Don Johnson with a "sleeper" pass and Johnson went for a 75-yard score. Chuck Gross converted for what proved to be a sufficient margin. The remainder of Eastern's points came on a safety and a second touchdown in the fourth period.

The cross country team was not so fortunate, however, losing 39-21 to the Redbirds of Illinois Normal. Sigma Sigma Sigma social sorority won first in house decorations with a carousel.

A huge, golden football won first place for Sigma Tau Gamma in the float contest.

### Twenty Years Ago (1939)

Heralded by trumpets of Charlie Agnew's Orchestra, Donis Barber marched onto the floor of Lantz Gymnasium to be crowned queen.

Attendants were Martha Reeder, Geraldine McKinney, Betty Nash, and Beth Negley. Also playing for the Silver Jubilee Anniversary dance was the Joe Martin Orchestra.

The Panther Lair expected a fine turnout of alumni, including Harold Younger, Wayne Neal, Virgil Bolerjack, and Thomas Haggerty. Professor Colseybur noted that "Just like all democratic institutions, we elect our Queen."

On the gridiron, Eastern and Illinois Normal battled to a scoreless tie on Scherer Field. Quarterback Merv Baker, currently head football, basketball, and track coach at Charleston High School, quarterbacked the Panthers in the 1939 Homecoming game.

## LITTLE MAN ON CAMPUS

## Huxley's Collected Essays Rated Excellent By 'News' Reviewer

By Ron Kelly

Aldous Huxley Collected Essays Harper & Brothers: New York \$5.00 416 pages

UNIQUE IN contemporary literature is the essayist. Perhaps the only living writer who can be called such is Aldous Huxley.

Known chiefly for his powerful novels (Point Counter Point, Brave New World etc.), Huxley has, for the past forty years, been one of the few essayists comparable to Hazlitt and other early proponents of this 'dying' form of art.

"Collected Essays" is a creditable cross-selection of some of Huxley's more penetrating observations.

From sex to mysticism, the many bespectacled Huxley — he carries from five to seven pairs during his travels—covers nearly every subject new and old under the sun, and some even further beyond.

Few would argue that this lineage descendent of Thomas Henry Huxley does not have one of the broadest scopes in the "thinking" world today. He is a giant among intellectuals.

But the word intellect should not be foreboding.

Inasmuch as a world fast becoming stratified will not allow writers to be didactic in a personal sense, Huxley has used the novel as a vehicle for expression.

Subliminally, he has used characters to convey axioms that are universal; and, more predominantly, untruths that he discerningly depicts.

Some critics have said that Huxley is too much the essayist in his novels. This, as a weakness,

would seem to point out the fact that few refuse to allow us trespass on status quo.

But the essay is Huxley's forte, and in Collected Essays this argument is resolved: it makes no pretention of being anything other than what it is.

Again, those who cringe at the word intellect should—and probably do—succor their bourgeois minds with Mickey Spillane. However, those who have read all Spillane or are not especially enamored in the race for bread and butter might investigate Huxley.

Osmosis is scientifically proven—somewhat, in a metaphysical sense, literarily. By chance, some readers could become enlightened . . . or irritated, which is an achievement in itself.

## Library Poll

RESULTS OF last week's poll pertaining to the opening of Book Library have been compiled. The figures, together with other comments, are currently being studied by library personnel.

Students indicated they would make use of the following facilities between 4 p.m. and 6 p.m. Sundays, to the degree indicated:

Reference Room—Never 1; Some 4; Some 24; Often 36.

Browsing Room—Never 9; Some 22; Some 19; Often 7.

Main Desk—Never 2; Some 11; Some 25; Often 24.

Music in Reference Room—Never 27; No 24; Indifferent 15.

A total of 65 students turned in questionnaires. More complete information pertaining to the possibility of Sunday openings will be published next week, if available.

# Bartlett, Rector, West To Serve As Homecoming Queen's Attendants

## Coronation Slated In Lantz Gym Following Concert

QUEEN JAN Vulgamott will be attended by three girls at the coronation ceremonies Saturday night. They are Miss Sue Bartlett, Miss Mary Lou Rector and Miss Carol West.

Miss Bartlett, Sigma Kappa social sorority's representative, is a junior elementary major from Watseka. Daughter of Mr. and Mrs. Kenneth Bartlett, she is not a new face on Eastern's Homecoming court. She was freshman attendant in 1957, representing Lincoln Hall.

In her spare time, she enjoys spectator sports and swimming. She is a music fan and collects records, especially modern jazz. She was a student leader in this year's orientation program and was a student assistant last year at Ford Hall.

Miss Bartlett will be escorted by Dick Armstrong, a junior business major from Moweaqua. Armstrong is a member of Sigma Pi social fraternity.

Delta Zeta social sorority will be represented by Miss Mary Lou Rector, a senior physical education major from Hoopeston. She is president of Delta Zeta and a majorette in Eastern's band.

Miss Rector lifeguards and teaches a college class at the Laboratory School pool. Upon graduation, she plans to teach in secondary schools in Illinois. Later she would like to teach overseas.

Miss Rector was Homecoming Queen in 1956 at John Greer High School in Hoopeston. She will be escorted by Tim Hahn, a senior business major from Olney. He is a member of Sigma Tau Gamma social fraternity.

Miss Rector is the daughter of Mr. and Mrs. James A. Rector.

Miss Carol West, Weller Hall's candidate, will represent the freshman class on the court, as the result of an all-school election. She is a two-year general major from Olney.

Miss West was "Pow Wow Queen" in high school and her spare time is spent dancing. She is especially interested in journalism.

Daughter of Mr. and Mrs. Okey C. West of Olney, she will be escorted by Worden Parrish, a student at the University of Illinois. He is a member of Phi Delta Theta social fraternity.

Lady Carol West

## Senate Head To Crown Queen; Jim Sarver To Serve As MC

JAN VULGAMOTT, 1959 Homecoming Queen, will be crowned by Bob Bruce, president of the Student Senate, at 9:15 p.m. Saturday in Lantz Gymnasium. Jim Sarver will be the master of ceremonies for the coronation.

The queen will be attended by Sue Bartlett, Mary Lou Rector and the freshman attendant, Carol West. Jonathan Kniskern, son of Dr. and Mrs. Vern Kniskern, and Lee Peak, son of Mr. and Mrs. Ken Peak, will be train bearers. The flower girl will be Ann Inyart, daughter of Mr. and Mrs. Robert Inyart. These children are in the first grade.

Rehearsal is now under way according to Lynn Jones, chairman of the coronation committee. The committee consists of Jim Sarver, Marlene Lloyd, Sharon Galasse, Faye Pritts, Mary Hay, Merwin

Klehm, Charles Agney, Virginia Cornwell and Garey Hodge. The adviser to the committee is Phillip Settle, director of art at the Laboratory School.

The committee announces that last year's queen, Mrs. Barbara Baggett, is expected back for the ceremony. Mrs. Baggett is presently teaching home economics in New Boston.

The Collegiate Choir, under the direction of Mr. John Maharg, will sing for the coronation.

## Co-Rec Swimming Program Temporarily Changes Schedule

THE CO-REC swimming program has been changed to Friday evenings for a period of three weeks. The change became effective last Friday.

The revision was necessary because of the use of the pool for intramurals between September 28 and October 20.

The pool will be used by the faculty on the first and third Sundays of each month. Students will use the pool on alternate Sundays.

Sunday sessions will be from 2 p.m. until 4 p.m., while evening sessions will be from 7 p.m. until 9 p.m.

The regular Tuesday and Thursday evening sessions will be resumed Thursday, October 22. The Friday sessions will be discontinued at that time, but Sunday sessions will be continued if attendance warrants it.

After the completion of the intramural swimming meet, all recognized campus organizations who desire to use the pool for closed swimming on evenings other than those already designated for Co-Rec swimming can do so by submitting a request form at the main desk of the University Union. The person requesting permission for use of the pool will be directly responsible for the action of the organization.

Because the pool is scheduled for use by other organizations, WAA, Co-Rec, and the swimming team, it will not always be possible for organizations to schedule a swimming session on an evening that it is desired. In scheduling, it is advisable to submit several dates.

The number of times any organization can use the pool for such sessions will be held to a minimum so as to give every recognized campus organization equal opportunity.

Organizations using the pool must abide by pool regulations and must use life-guards and attendants provided by the University Union.

The payment of the life-guards and attendants will be the responsibility of the organization. A binding contract for payment of pool personnel will be administered, and payment must be received in advance.

The cost for the service of guards and attendants will be approximately \$8.40 for a two hour session. This includes a head guard, an assistant guard, a male and female locker room attendant.

In the event that an organization does not have a mixed group and either the male or female at-

## Barrett Passes CPA Examinations

WILLIAM BARRETT, instructor of Business Education at Eastern, has been informed that he passed the qualifying examination for Certified Public Accountant, which he attempted for the first time on May 13, 1959.

Barrett earned the B.S. degree at Arkansas A & M College, and the M.B.A. degree at the University of Arkansas.

Before coming to Eastern in 1956, he had taught at Arkansas A & M College, and had acquired accounting experience while employed with the Ford Motor Company for one year in Kansas City.

Since joining the staff at Eastern to teach accounting and allied business courses, Barrett has done graduate work at the University of Illinois.

Barrett will be awarded the C.P.A. Certificate at a banquet ceremony at the Conrad Hilton Hotel in Chicago today.

tendant is not needed, the cost will not be included in the charge.

An organization with married students may bring either wife or husband and children. The children will be the responsibility of the parents. However, it is not advisable for married students to bring children where a group will consist mostly of adults.

## One Hundred Eastern Students Receive National Defense Loans

LOANS FOR 100 Eastern students this fall have been made possible by money provided by the federal government through the National Defense Student Loan Fund.

The University has received one \$49,096 check and has been allocated an additional \$26,317 for a total grant of \$75,413 for the current year.

The school was allotted \$14,737 in the abbreviated program last year.

Seventy eight upperclassmen and 22 entering freshmen are receiving loans this quarter. They were selected by a committee on the basis of a

genuine need for a loan. Consideration was given to income and resources of the applicant and his family.

The federal government directs that special consideration be given to students with superior academic background who plan to teach in public schools or who have a superior capacity in science, mathematics, engineering, or a modern foreign language.

To be eligible, students must pursue a full-time undergraduate or graduate program. A loyalty oath must also be signed by the student.

Additional applications will be taken again in the winter. The exact date will be announced later.

# U.S., Asian Artists Exhibit In Gallery

"CROSSCURRENTS," an exhibition of works by American artists, Asian artists and artists of Asian origin now living in the West, will be shown October 1-22 in the Sargent Gallery of Booth Library.

The show includes 54 paintings, prints and drawings circulated by the American Federation of Arts.

Works by Abedin from Pakistan, Hasegawa from Japan and Keyt from Ceylon are among those illustrating how the Asian artist has explored and adapted to his own needs some of the cubists and other European masters of the abstract and expressionist styles.

Representative of paintings produced by artists of Asian origin who live and work in Europe and the United States are those by Okada, Sato, Tabuchi and Zao Wou-ki.

Dr. Grace L. McCann Morley, adviser to the American Federation of Arts, has remarked that, "The examples shown here provide only a sampling of the exchange between East and West of art concepts, forms and theories—and of shared influences and common discoveries in art expression.

For the West, the works of Kline and Tomlin are shown with others that demonstrate elements similar to Far Eastern painting developed through exploitation of the aesthetic qualities of the artist's materials used in conjunction with a very personal style.

## Chemistry Course Offered Via TV

"MODERN CHEMISTRY," a televised Continental Classroom course, is being offered for credit by Eastern, according to Dr. Lawson F. Marcy of the chemistry department.

Channel 10, at Terre Haute, is showing the film in this area. The program, which began Monday, will run through June 3, and is being broadcast Monday through Friday 7:05 a.m. to 7:35 a.m.

The course is divided into two semesters offering credit of three semester hours (4½ quarter hours) each.

A selected group of chemists, including nobel prize winners, will make significant contributions to the course. Each will discuss topics from his field of specialization.

This course is primarily designed to aid the high school teacher of chemistry by presenting recent developments in theory and experiment.

Included are structure and composition of substances at the molecular, atomic and subatomic levels and an ability to explain the behavior of chemical species far beyond anything that was possible for previous generations of teachers.

This course may be used to apply toward certification for teaching chemistry and general science in high school.

To earn credit at Eastern, prescribed assignments relating to the material must be completed and mailed to the University, in addition to viewing the daily televised class presentation.

Attendance is also required at six Saturday morning classroom sessions each semester, the first of which is to be held on campus in room 402 of the Science Building at 9 a.m. Saturday, October 17.

Assignment sheets and reference information will be mailed to others on request. The fees are \$17 for each semester, including textbook rental.

The registration period extends until October 17, the date of the first campus meeting, at which time all registration will be complete. Make all checks to Eastern Illinois University.

Mail all checks to Dr. Lawson F. Marcy, chemistry department, Eastern Illinois University, Charleston, Ill.

## Russian Art Exhibit Displayed At Library

BOOTH LIBRARY is featuring an exhibit on Russia. This exhibit is in accordance with the visit of Nikita S. Krushchev, the Soviet Premier, to the United States.

The exhibit is comprised of books on the Russian government, the Communist Party, Soviet economic aid, the theater in Soviet Russia, how Russia is ruled, the Soviet secret police, and the changing world of Soviet Russia.

This exhibit is designed to interest and inform the student on Soviet Russia and her various aspects.

## Seniors Asked To File 1960 Placement Forms

PLANS FOR the 1960 placement year are already underway. All seniors have been asked to fill out placement forms for the Placement Bureau so that their credentials can be typed and ready for the rush that starts with the beginning of the new year.

Any person who will be graduated by the end of the 1960 summer term should, if he has not already done so, secure a set of papers and register with the Placement Bureau. This is a requirement for graduation.

## FOOTBALL: ITS CAUSE AND CURE

Next Saturday at the football game while you are sitting in your choice student's seat behind the end zone, won't you give a thought to Alaric Sigafoos?

Alaric Sigafoos (1868-1934) started life humbly on a farm near Thud, Kansas. His mother and father, both named Ralph, were bean-gleaners, and Alaric became a bean-gleaner too. Later he moved to Oregon and found work with a logging firm as a stump-thumper. Then he went to North Dakota where he tended the furnace in a granary (wheat-heater). Then he drifted to Texas where he tidied up oil fields (pipe-wiper). Then to Arizona where he strung dried fruit (fig-rigger). Then to Kentucky where he fed horses at a breeding farm (oat-toter). Then to Long Island where he dressed poultry (duck-plucker). Then to Alaska where he drove a delivery van for a bakery (bread-sledder). Then to Minnesota where he cut up frozen lakes (ice-slicer). Then to Nevada where he computed odds in a gambling house (dice-pricer). Then to Milwaukee where he pasted camera lenses together (Zeiss-splicer).

Finally he went to Omaha where he got a job in a tannery beating pig hides until they were soft and supple (hog-flogger.) Here he found happiness at last.

Why, you ask, did he find happiness at last? Light a firm and fragrant Marlboro, taste those better makin's, enjoy that filter that filters like no other filter filters, possess your souls in sweet content, cross your little fat legs, and read on.

Next door to Alaric's hog-floggery was an almond grove owned by a girl named Chimera Emrick. Chimera was pink and white and marvelously hinged, and Alaric was instantly in love. Each day he came to the almond grove to woo Chimera, but she, alas, stayed cool.

Then one day Alaric got a brilliant idea. It was the day before the annual Omaha Almond Festival. On this day, as everyone knows, all the almond growers in Omaha enter floats in the big parade. These floats always consist of large cardboard almonds hanging from large cardboard almond trees.

Alaric's inspiration was to stitch pieces of pigskin together and inflate them until they looked like big, plump almonds. "These sure beat skinny old cardboard almonds," said Alaric to himself. "Tomorrow they will surely take first prize for Chimera and she will be mine!"

Early the next morning Alaric carried his lovely inflated pigskin almonds over to Chimera, but she, alas, had run off during the night with Walter T. Severidge, her broker. Alaric flew into such a rage that he started kicking his pigskin almonds all over the place. And who should be walking by that very instant but Abner Doubleday!

Mr. Doubleday had invented baseball the day before, and he was now trying to invent football, but he was stymied because he couldn't figure out what kind of ball to use. Now, seeing Alaric kick the pigskin spheroids, his problem was suddenly solved. "Eureka!" he cried and ran to his drawing board and invented football, which was such a big success that he was inspired to go on and invent lacrosse, Monopoly, run sheep run, and nylon.

# Fine Arts Festival Now In Progress

by Emma Lou Edwards

EASTERN'S FINE Arts Festival, now in its fourth day, provides students with a chance to view the Fine Arts Center and to see the

## Speech

MR. BUCK and Gay Wood recording in the new radio studio of the speech department.

programs devised by the departments in the Center.

The Festival began Sunday with the dedication ceremonies and a program of music presented by the staff of the music department.

The series of programs which began Sunday will culminate Homecoming day in honor of the Fine Arts Center.

Each department is contributing a part to the program. Special films are being shown at 4 p.m. today and tomorrow by the art department. Today's films are "Architecture: USA" and "Invitation to Music." Tomorrow "Architecture: Age" and "Begone Dull Care" will be shown.

## Radio Guild Elects Officers For Year

THE RADIO Guild met Wednesday evening, September 30, to organize and elect officers. New officers are Tom Clark, president; Ron Martin, vice-president; and Cecilia Bangiolo, secretary-treasurer.

In charge of the Radio Guild this year is Steven Buck, who is a recent addition to the speech faculty. He came to Eastern from Purdue University.

Buck announced that the student radio positions for the year were filled. Program chairman for the year is Carol McHenry; chief engineer is Paul Rainey and the news editor is Ron Leathers.

Buck also announced this quarter's program line up. There will be one half-hour program daily, which will be broadcast over WLBH-Mattoon.

The first five minutes of each program will be a newscast. Programs include a sports program, a popular music and jazz show, a classical music program, a children's program, and various panel shows. Eastern's radio service will begin broadcasting sometime this week.

The guild plans to expand its activities more during the second quarter. The next meeting of the guild will be announced and all those interested in radio are invited to attend.

Art works by faculty and students of the art department are now being exhibited in the foyer and studios of the Fine Arts Building.

Paintings by graduate students are being shown in the foyer and lounge of the University Union. Also on display in the Sargent Gallery of Booth Library is a show entitled "Cross Currents."

Two performances of the music and dramatic programs have already been presented and the program will be continued on through Friday night. Each program begins at 8 p.m. in the Fine Arts Theater.

The speech department is staging The Greek drama "Antigone," a short work by Sophocles, and adapted from the Greek by Jean Cocteau. It was translated by Carl Wildman.

The tragedy concerns the House of Oedipus and Antigone's struggle between love and duty to the state. It is directed by Dr. E. Glendon Gabbard of the speech department. John Bielenberg is in charge of the set designing.

"The Old Maid and the Thief" by Giancarlo Menotti is being presented by an alternating cast from the music department.

ied cross-section of the American populace. Its concerts have been given on college campuses throughout the country. It has appeared at leading night clubs from coast to coast.

Sauter and Finegan like people to listen to their music actively. Music, to them, is not just a servant or a lackey who should remain unobtrusively in the background. It should stimulate the listener into active participation. This participation may take the form of dancing, or it may be responsive listening that appeals to the intellect as well as to the emotions.

## Annual Homecoming Parade To Be Held Saturday Morning

TWENTY FLOATS will assemble on Tenth St. between Harrison and Lincoln this Saturday at 9:30 a.m. to begin the annual Homecoming parade.

According to Chuck Rickert, chairman of the Homecoming parade committee, the parade will proceed north on Tenth to Jackson and move west to the southwest corner of the square. The parade will then circle the square counter-clockwise to Jackson and Sixth, turn west to Fourth, and south on Fourth to the Parking lot at the rear of Lincoln-Douglas Hall.

Included in the parade will be floats, the Eastern marching band, the Northern marching band and

### Registration Dates Are October 12-16

NEW STUDENTS may reserve class cards for the winter and spring quarter courses by coming to the room formerly occupied by the textbook library in Old Main. This pre-registration will take place the week of October 12-16.

The general order that students registered on September 8, 9, 10 is being followed by permitting those who registered first to come in early in the week.

Lists are posted on various bulletin boards throughout the campus. These lists are not arranged alphabetically but are in chronological order of registration. Students should consult these lists and appear for pre-registration as indicated by the schedule.

Those whose chronological number of registration is from 0 to 225 should appear for pre-registration on October 12; from 226-430 on October 13; from 431-675 on October 14; from 676-900 on October 15, and from 901-1110 on October 16.

The above directions do not apply to elementary education majors as their class cards were pulled and placed on reserve at fall quarter registration.

### Greeter Protest

(Continued from page 1)

the rules state in reference to election campaigns that all posters must be removed and taken from campus by 10:30 p.m. the night before the day of the election.

The protesting sororities said that on October 1, the day of the head greeter election, members of their organizations saw a campaign poster for head greeter in Lantz Gymnasium.

"A similar violation occurred during the queen campaign concerning displays and posters, but the protest was not made," said the two presidents.

Candidates for head greeter were Judy Baxter, Delta Zeta; Yvonne Evans, Sigma Kappa and Elaine Stuckey, Sigma Sigma Sigma.

Because of the protest, greeters for the 1959 football season were named to participate in Eastern's home football game with Ball State last Saturday.

Commenting as to why they made the protest, sorority presidents Rector and Quick said, "We feel that if the Student Senate rules are to be effective, then the Student Senate should take this matter into consideration. An error has been made, and we feel it should be corrected."

Carole Henry, president of Sigma Sigma Sigma, the sorority that allegedly failed to remove a campaign poster by the specified time, told the *News* Saturday that she had not formally discussed the matter with the entire sorority and, consequently, was unable to make a statement before the regular Monday night meeting.

She did say, however, "If we did have a poster up, then we are at fault, I guess." She added, "We are going to back our candidate at the Student Senate and then let it go at that."

several high school bands. Prominent school officials and leaders, including the Homecoming Queen and the mayor of Charleston will make their appearance in the parade.

For the first time in several years there will be no theme restriction.

This year there are three divisions of floats: Division "A", the Greek letter organizations; Division "B", Departmental clubs, religious organizations, and rooming houses; Division "C", comedy entrants.

Prizes and trophies will be given in all three divisions. First prize in Division "A" will be \$75 plus a trophy, 2nd, \$50 plus a trophy, and 3rd, \$25.

Division "B" prizes will be as follows: 1st, \$50 and a trophy, 2nd, \$30 and a trophy, and 3rd, \$20.

First prize in division "C" will be \$30 and a trophy, 2nd, \$20, and 3rd, \$10.

Rickert also stated, "The Homecoming parade committee feels assured that no trouble will be encountered because of local street construction.

All floats must be dismantled by 10 a.m. Sunday.

## Reed Whittemore To Lecture Here

REED Whittemore, noted poet and essayist, will speak at Eastern at 8 p.m. October 15, in Old Aud, according to Rex Syndergaard, chairman of the lecture series committee.

Whittemore will also be available for classroom discussions on October 16. Persons interested in scheduling these discussions should contact Syndergaard.

### Phipps To Speak

DR. HARRIS E. Phipps, head of the chemistry department, will address a meeting of Eastern's American Chemical Society at 7:30 p.m. today in Room 402 of the Science Building.

Dr. Phipps' address, "California Here We Come," will be based on his year of study at the University of California and the California Institute of Technology. Dr. Phipps spent the entire academic year of 1958-59 in this study.

### Notice

ALL STUDENTS who expect to graduate with B.S., B.A., B.S. in Ed., or M.S. in Education in June or August of 1960 should go to the Records Office and fill in an application for graduation.

## IEA To Hold Annual Meeting Friday

THE EASTERN Division of the Illinois Education Association will hold it's 62nd annual meeting on Friday, October 9, in Lantz Gymnasium. Close to 2,500 teachers representing Clark, Coles, Cumberland, Douglas, Edgar, Effingham, Fayette, Jasper, Moultrie, and Shelby counties are expected to attend.

Main events of the day will include a concert by the Arthur High School band at 9:30 a.m.

At 10:40 a.m., Dr. Francis Kappel, who has served as Dean of the Graduate School at Harvard University since 1948 and is a Phi Beta Kappa graduate of Harvard, will speak on "Personal Policies and Public Education."

At 1:30 p.m., the Varsity Glee Club of Purdue University, composed of 58 male voices, will present a concert directed by Albert P. Stewart. This Glee Club is considered one of the most famous in the world. Their background con-

sists of a successful European tour, singing for two presidential inaugurations, and being featured in the Hollywood Bowl.

Dr. Albert P. Stewart, a native Hoosier, has conducted the chorus since 1933. Students and non-members of the I.E.A. may attend the concert by purchasing a ticket at Lantz Gym or contacting Dr. Matzner. Permits to attend the morning session can be obtained in the Women's Gymnasium on this date.

A special luncheon for the speakers and honored guests will be held at noon in the Union Ballroom, according to Dr. G. C. Matzner, secretary of the Association.

Students are urged to eat as early as possible to avoid the noon rush. Those wishing the special meal will pay the additional set price.

## Students Head Homecoming Committees

PLANNING the 1959 Homecoming at Eastern has been the job of 12 students and their faculty advisers.

General chairman is Ken Hesler. Student co-chairman is Calvin Stockman.

The student chairmen for Homecoming activities are: dance and concert, Bruce Palmer; assembly, Judy Bomkamp; play, Gail Shadwell; frosh-soph games, Gale

Cal Stockman

Garbe; pep rally, Gerry Eckerty; coronation, Lynn Jones;

Old Main decoration, Jim Koertge; parade, Charles Rickert; house decorations, Russell Pence; Queen's float, Jerry Banham; publicity and alumni activities, Larry Millis; and alumni, Ray Merry.

Faculty advisers are: dance and concert, Alan Aulabaugh; assembly, Joel Goldfarb; play, Glendon Gabbard; frosh-soph games, John Hodapp; pep rally, Rex Darling; coronation, Phillip Settle; Old Main decoration, Calvin Countryman; parade, Harold Pinther; house decorations, Richard Cambridge; Queen's float, Clifford Erwin; publicity and alumni activities, Asa M. Ruyle.

## 'Old Maid And The Thief'

"THE OLD Maid And The Thief," an opera, is being presented by the music department nightly in the Fine Arts Center, along with the Greek tragedy "Antigone," which is being presented by the speech department.

The program begins each evening at 8 p.m.

## 'Antigone'

"ANTIGONE," a Greek tragedy, is being presented by the speech department along with the opera "The Old Maid And The Thief," which is presented by the music department.

The final performance, Friday, will be for Eastern's alumni. General admission is 75 cents. Students may obtain tickets by presenting their identification card at the Union desk or the boxoffice.

## Senior School Nurse Retires After Fifty Years Of Service

A 50-YEAR nursing career devoted to government service and higher education came to a close in September as Miss Mary E. Thompson retired as senior school nurse at Eastern.

Miss Thompson, who served in the American Red Cross in the states and overseas during and after World War I, came here 29 years ago.

She officially retired September 15, 1959, almost the anniversary date of her employment in 1930 by the then President Livingston C. Lord, whom she attended during his fatal illness in 1933.

In surveying the growth of the health service during her 29 years, Miss Thompson recalled how the service was first located in the second floor corridor of Old Main, then moved into a classroom—where classes were going on!

The retiring nurse had the added duty of acting as night nurse for the women residents in Pemberton Hall during her first eight years of Eastern employment.

Commenting on her future plans, Miss Thompson said she simply wants to retire and forget work. She left last week to return to her native North Dakota. She will live in West Fargo.

After attending Moorehead State College, she received her degree as a registered nurse from the St. Johns Hospital in Fargo, N. D.

Upon her graduation, Miss Thompson did private duty nursing and was for a time supervisor of the Cass County Hospital in Fargo.

She joined the Red Cross in May, 1918, for duty overseas, but was sent to the Army Base Hospital at Camp Lewis, Wash., as supervising nurse of the communicable disease wards. In Septem-

ber, 1918, she was sent to the Nurses' Mobilization Center in New York City for duty with the American Expedition Forces.

About that time the influenza epidemic had started, and Miss Thompson was put to duty at

Camp Upton, Long Island, N. Y., where she worked through October, 1918.

She left for overseas duty on November 16, 1918, and spent the next nine months in France caring for the American wounded still in that country.

Prior to coming to Eastern in 1930, Miss Thompson worked with the U. S. Government Veterans Hospital at Boise, Idaho, the Tuberculosis Government Hospital at Walla Walla, Wash., and the Camp Kearney Hospital in California.

Fisher The Panther

Big Ray Fisher Is Story Of Local Boy Makes Good

RAY FISHER, former Eastern Illinois lineman and native of Charleston, has survived the final cut and is a member of the Pittsburgh Steelers football team of the National Football League.

Fisher was an all-IIAC tackle for two years at Eastern before graduating in 1956. Following graduation, Fisher joined the Marine Corps and played service ball, where connections were made with the professionals.

Fisher was one of the strongest men to ever graduate from Eastern. Ray proved his strength by winning the IIAC heavyweight wrestling crown both his freshman and sophomore years. To boot, he had no previous wrestling experience before entering college. Fisher also held the school shot put record before Dave Fields topped the mark. Altogether, Fisher earned a total of eight letters and was a blanket winner at Eastern.

Marion Rushing and Jim Podoley are two other athletes who performed in the IIAC that are currently playing in the professional ranks. Rushing, former Southern Illinois athlete, is current linebacker for the Chicago Cardinals and Podoley, rated the greatest back to ever perform in the IIAC, is currently in his third year of pro ball with the Washington Redskins.

Fisher has already been tabbed the finest rookie tackle to join the Steelers since Ernie Stautner joined the team in 1949.

Fisher The Steeler

Northern Hopes To Spoil EIU's Homecoming

Huskies Feature Top Passing Combo In Lewis Flinn, Alan Eck

NORTHERN ILLINOIS University, supported by the best passing combination in the IIAC, invades Lincoln Field Saturday with hopes of spoiling Eastern's 45th Homecoming. The kickoff is slated for 2 p.m.

The Huskies shot into contention for the IIAC title after impressive victories over Wheaton College and North Central, thanks mainly to Lew Flinn and Alan Eck. Quarterback Flinn and end Eck represent the best passing combination in the conference and the bulk of Northern's offensive attack.

Flinn's passing placed him 28th in the nation in NCAA small college statistics and 1st in IIAC totals last season. The Princeton native sported a .467 completion percentage for 916 yards. Flinn was chosen on the all-IIAC second team in 1958.

The 6-1, 195 pound senior, is

working on his fourth varsity letter and his name will go down along side quarterback Bob Heimerdinger's as all-time Northern Illinois greats.

Eck replaced end Jim Caldwell as Flinn's favorite target last year. Eck is often mistaken for Caldwell because of his great speed and ability to get behind the opponents secondary.

Eck, 5-11, 175 pounder from Palatine, led the IIAC in pass-receiving last season. He snared

22 Flinn flips for 312 yards and one touchdown. Eck was also a second team all-conference choice. Its a certainty that Eastern's pass defense will be kept on its toes, because Northern's whole offense centers around Flinn and his "golden arm."

**Coach Howard Fletcher will throw an all-letterman team around Flinn. Northern has 21 numeral winners from 1958.**

What time Flinn doesn't throw, fullback Joe Plaskas and halfback Ron Hansen, do the biggest share of running with the pigskin. Plaskas was fourth and Hansen ninth in the IIAC rushing department in 1958. Hansen, only 5-6, also rated sixth in pass receiving, making him Flinn's number two target. Both were chosen on the third team all-IIAC selections.

Dale Berman, second team all-IIAC tackle, spearheads the Huskie line play. Berman is a six foot, 220 pound senior from Grand Ridge.

Hodapp Issues Call For Soccer Players To Face Blackburn College, October 17

DR. JOHN Hodapp, Intramural Director, has announced that Eastern will form a soccer team and meet Blackburn College, October 17, on Lincoln Field.

Hodapp requests all persons interested in trying out for the team to report to the Intramural Office for information or the soccer field behind Lincoln-Douglas Halls, October 10th at 2 p.m. Hodapp will serve as faculty adviser for the team and plans from eight to 10 practices before the Blackburn game.

Practice sessions will be held on the intramural soccer field during float hours and Saturdays. Practice after 4 p.m. on weekdays would interfere with the intramural soccer leagues.

Eastern formed a soccer team

from mainly the intramural ranks last season and beat Blackburn College at Carlinville, 7-3. Blackburn is a member of the Midwest Conference.

Eastern Wins 12-8 Over Ball State

EASTERN CAME from behind twice to defeat Ball State Teachers College, 12-8, at Lincoln Field Saturday.

Halfback Ken Calhoun took a pitchout from quarterback Verlon Myers and circled right end for the winning touchdown in the fourth quarter. The run covered 44 yards and came with only 4:20 remaining in the game.

Coach Ralph Kohl -- Busy Man On Sidelines

EASTERN COACH Ralph Kohl is a man of many moods and faces. These pictures taken at

the Eastern-Austin Peay game, illustrate some of these. Kohl alternates between explosive

verbosity and quiet contemplation during the course of a game. He can be seen frequent-

ly pacing up and down in front of the bench or talking on the telephone to coach Jack Kaley

in the press box. Photos by Joe Bangiolo.

# Probable Starting Lineup For Homecoming Game Against Northern

EASTERN'S GAME against Northern Illinois marks only the second time in 43 Eastern Homecomings these two teams have met. The Panthers topped the Huskies, 15-6, in the 1948 Homecoming game.

The game also marks Eastern's first start in IIAC play this year. Southern Illinois, Eastern Michigan, Western Illinois, Central Michigan, and Illinois Normal appear on the Eastern schedule in that order. The Panthers are out to improve on last year's 1-5 conference record.

Eastern's starting backfield will consist of three seniors and one freshman. George Rykovich will go at fullback; Harold Knowles and Bill Hamilton at the halfbacks; and either Verlon Myers or Roger Beavers at the quarterback slot.

Rykovich was Eastern's Most Valuable Player in 1958 and also a second team all-IIAC choice. Ryko, Gary, Ind. native, led the team in practically every offensive department and is one of the top backs in the conference. He

also does the punting for the Panthers.

Harold "Butch" Knowles adds good speed to the Eastern backfield. Knowles hails from Mt. Carmel and scored Eastern's lone touchdowns in a 7-6 loss to Indiana State and 12-8 loss to Austin Peay, earlier this season.

Bill Hamilton, Springfield freshman, will go at the other halfback slot. Hamilton was Eastern's leading ground-gainer against Indiana State with 54 yards in 11 carries.

Coach Ralph Kohl will go with either Verlon Myers, Charleston senior or Roger Beavers, Sullivan freshman, at quarterback. Myers led the IIAC in passing as a sophomore, but lost his position to Dick Vaughn last year.

Beavers led Sullivan high school to an undefeated season last year and an Okaw Valley championship. The little 5-10, 165 pounder has seen considerable action in Eastern's games against Indiana State and Austin Peay.

Bob Leach, Philo senior, and Bill Myers, Urbana freshman, will go at the end positions. Leach is a letterman from 1958 while Myers

has been a starter since the second game against Austin Peay.

The tackle spots will be held down by two veterans. Bob Fulk, Moweaqua senior, and Ron Monge, Tovey senior, will get Kohl's starting call. Fulk weighs 215 and stands 6-2 while Monge is 5-11 and 220. Fulk, along with Rykovich, serves as Eastern's co-captains for the year.

Freshman Leroy Blackful, from Chicago Heights, and Ron Hein, Skokie sophomore, will go at the guard spots. Blackful, 5-10 and 215, has been impressive thus far this season while Hein is rated as one of the top linemen in the IIAC.

Rounding out the starting team will be center Harvey Zimmerle, Olney junior. This is Zimmerle's first year as a starter. He weighs 185 and stands 5-10.

Others expected to see action in the backfield are Bob Parrish, Norman Bomkamp, Art Thompson, Bob Doty, Ken Calhoun, Nat Brown and Ron Fredin.

Linemen due for action include Vernon Vierk, Dennis Taylor, Ben-

## Eastern Trails Northern Ill., 14-9 In All-Time Football Standings

EASTERN TRAILS Northern Illinois University, 14-9, in the all-time football standings between the two schools.

The two schools first meeting was in 1933 and Northern won, 12-6. It was Northern's Homecoming and the game was played on a rain-soaked field. The Huskies won 18-12 in 1934 and 49-0 in 1935 with halfback Nori scoring 30 of the 49 points.

The Panthers broke into the victory column against the Huskies in 1936. Eastern won 7-0 on a touchdown in the last few minutes of the contest.

The Panthers reeled off three straight wins over Northern from 1954 to 1956, but the Huskies have won the last two meetings.

jamin Ward, Jerry Sewood, Dick Fulk, Larry Brethorst, Don Novak, Bob Barron and John Beno.

Sports In Brief . . .

# Student Support Needed For Soccer

by Jim Kimball

AFTER TOUCHING on the subject of soccer becoming a varsity sport at Eastern in this column last week, a little more research on the subject seemed necessary, especially after a certain amount of interest was brought to my attention. Many students have rekindled the interest and another soccer game with Blackburn College has been scheduled for October 17 on Lincoln Field. The purpose of this game is to show that soccer interest at Eastern is great enough to make it an intercollegiate sport.

John Masley, athletic director, had this to say concerning the soccer talk. "First, there must be sufficient student interest in soccer and secondly, funds must be available before soccer can be an intercollegiate sport at Eastern." Masley went ahead to say, "To curtail other athletics for soccer would be foolish."

It all boils down to the fact that Eastern students must show an immense interest in soccer becoming a varsity sport before further steps can be taken toward the blue-print stage. For sure, the Eastern Athletic Department is not going to fight for a sport becoming intercollegiate that only a few persons are interested in.

The number of candidates that report out for Eastern's team in its game against Blackburn and the attendance at the game, will be a couple of determining factors in deciding the soccer interest.

The Athletic Department at Eastern is always interested in adding new intercollegiate sports, but not at the expense of curtail-

ing other athletics. Swimming was made intercollegiate at Eastern last year and who knows, soccer may be next.

A very interesting letter was received from Pat Livingston, sports editor of the Pittsburgh Press, which contained information about Ray Fisher. Following are two paragraphs of that letter:

"The boy is a tremendous defensive tackle, coming in here as a rookie and taking a job away from Joe Lewis, who many had thought was headed to an All-Pro season. In the Steelers' win over the Cleveland Browns last Saturday, Fisher was one of the best linemen on the field."

"Buddy Parker (coach of the Steelers), is tremendously

impressed with his size, his speed, his attitude and his ability. He's a strong kid, very aggressive and I'm sure he'll be in the league a long time. He certainly rates as one of the finest rookie tackles I have seen in years—I don't think Pittsburgh has had one like him since Ernie Stautner joined the team in 1949." Three cheers for Fisher.

Jerry VanBellehem has been definitely lost to the Eastern football team for the remainder of the season. The big six foot, 200 pound fullback, has been sidelined with a chronic dislocation of his left shoulder. The injury was suffered in 1957 against Central Michigan, when Van Bell tried to make a one-arm tackle of a Chip runner. According to VanBellehem, the shoulder will be operated on as quickly as possible, so it will have plenty of time to heal before next football season.

VanBelleham is a graduate of Charleston High School and helped pace the Trojans to an Eastern Illinois League football title in 1955.

# Sportsmen, TKE's Top Teams In Intramural Football Standings

by Ron Fritchley

SOCCKER got underway and touch football entered the second round in intramural action last week.

Sig Tau and Phi Sig jumped off to an early lead of the league, racking up two wins each. Sig Tau edged TKE as Fred Edgar scored in the first quarter for the 1-0 victory. Max Eldred paced Sig Tau with three goals and Paul Granquist kicked for two as Sigma Pi fell 5-1. Ron Leibig scored the lone tally for Sig Pi.

Phi Sig disposed of TKE as Tom Garrey and Chuck Morrison scored. Chi Nu forfeited to Phi Sig for victory number two.

Tom Clark delivered the payoff punch with less than a minute to go giving Hernandoes a 1-0 decision over the Hot Shots. The Hot Shots forfeited to the Blasters to put them in the league cellar along with TKE.

TKE ran up the lop-sided score of 40-2 in clobbering Chi Nu for their second touch football win of the season. The TKE's scored in every quarter with individual scoring to numerous to mention.

The Knighthawks evened up their record at 1-1, handing the Blasters a 19-13 loss. Bob Ferris scored twice and Jim Gardner once for the Hawks. Gardner also picked up a PAT. Larry Hess and Larry Matthews scored for the Blasters with Chaney getting the point after.

The Sportsmen coasted to a 19-0 win over Douglas Hall with Jack Fishel, Esterino Molinari, and Ole Olsen snaring a Jerry Zachery aerial for the six-pointers. Fishel tossed to Chuck Carmody for the only extra marker.

At the close of last week the standings were as follows:

	Won	Lost
TKE	2	0
Sportsmen	2	0
Sig Tau	1	0
AKL	1	0
Lincoln Hall	1	0
Blasters	1	1
Knighthawks	1	1
Phi Sig	0	1
Sig Pi	0	1
Hot Shots	0	1
Hernandoes	0	1
Douglas Hall	0	1
Chi Nu	0	2

# Western Ill. Picked Over Southern

by Jim Kimball  
WESTERN ILLINOIS 26 vs. Southern Illinois 14—It will be a well-earned fight if Western Illinois retains its 1958 football title. The Leathernecks faced Central Michigan last Saturday, followed by Southern this Saturday, and then tangle with Northern Illinois next Saturday. Western will have an added incentive against the Salukis. It's Western's Homecoming and this, coupled with one of the fastest backfields in the IAC, will produce a victory over Southern.

Western's only IAC loss in 1958 came at the hands of Southern, 32-31, but the Leathernecks have lost only once in the last five years to the Salukis.

Central Michigan 31 vs. Illinois Normal 12—The Redbirds have beat Central Michigan only twice in nine football meetings between the two schools. The Chips have won by lopsided scores of 35-12, 26-0, 35-7, 20-0, and 33-6, over the years.

Normal may get a look at Central's newest addition to its fast backfield. Russ McLean, recent dischargee from the Marines, holds the all-Marine 200-meter dash record with a 20.9 clocking. Coach Bill Kelly is planning to alternate McLean with Al Bernardi at the fullback slot. Couple Walter Beach and Jerry O'Neil with McLean, and Central Michigan's backfield is one of the fastest in the United States.

# Panther Harriers

COACH AND VETERANS—Coach Maynard "Pat" O'Brien is counting on seniors Rawlan Lillard, left and Dick Kragler to show the way for Eastern's freshman-laden cross country team.

# Eastern's Cross Country Team Tops Indiana State In Opener

COACH MAYNARD "Pat" O'Brien's harriers started the season on the right foot as they squeezed by Indiana State 26-29 in the first match of the year at Terre Haute, Wednesday.

Reliable Rawlan Lillard lived up to his Most Valuable Runner title of the past two seasons as he paved the way to victory, finishing almost a minute ahead of the field. The senior captain from Danville finished in 22:46.8 followed by State's Al Barcus in 23:35.

Dick Pudell of the Sycamores was third in 23:37, followed by Eastern freshman Don McMorris in 23:38, and Corky Coats of State in 23:39.

The Panthers finished sixth, seventh, and eighth as freshman Lee Sprimont, senior Dick Kragler, and freshman Bill Meckfessel crossed the finish line.

State's Harold Salmon and Ver Frayer came in ninth and tenth respectively, to round out the places figured in the scoring.

Five Panther's finished eleventh through fifteenth with four of the five being freshmen. Jim Cunningham, Marv Honn, Ron Gordon, Jim Quinlan, and Dick McClain showed impressive hopes for the future.

The O'Brienmen open the home season in a double-dual meet with Illinois Normal and Loyola of Chicago, October 10, at Lincoln Field.

## Notice

COACH WILLIAM Groves requests anyone interested in trying out for the varsity swim team to contact him before October 15.

# Social Notes . . .

## Engagements

MISS FAY DOWNING, sophomore elementary education major from Paris, to Del Kennedy, Jr., a graduate of the University of Miami, also from Paris.

Mr. Kennedy is employed by the Illinois Cereal Mill in Paris.

MISS PEGGY Westry, Arthur, became engaged to Mr. Sam Clark, a senior from Bement. Mr. Clark is a member of Phi Sigma Epsilon social fraternity.

MISS BARBARA Walsh, a senior English major from Mt. Pulaski, became engaged to Mr. Phil Clark, a 1958 graduate of Syracuse University, Syracuse, N. Y. Miss Walsh is a member of Delta Zeta social sorority. Mr. Clark, a member of Zeta Psi social fraternity, is now living in Aspen, Colo.

MISS MARY Lou Schutzbach, a sophomore English major from Effingham, became engaged to Mr. John Henry Althoff, a junior history major, also from Effingham. Mr. Althoff is studying at the University of Illinois.

## Marriages

MISS LOIS Shields, junior mathematics major from Mattoon, to Dale Rutan, 1959 graduate of Eastern, from Tuscola. Mr. Rutan is past president of the Tau Kappa Epsilon fraternity.

MISS HARIE Guyer, a recent graduate of Evansville Business College from Robinson, married Mr. Jan Stoner, a sophomore physical education major from Pales-

tine. Mr. Stoner is a member of Tau Kappa Epsilon social fraternity.

MISS MILLIE Harp, a 1959 home economics major graduate of Eastern, was married to Mr. Bob Robinson, a former Eastern Student and member of Tau Kappa Epsilon social fraternity. Mrs. Robinson, Carpentersville, is a member of Delta Zeta social sorority.

MISS HELEN Brown, Moweaqua, married David Baker, a junior physical education major, also from Moweaqua. Mr. Baker is a member of Sigma Pi social fraternity.

MISS KATHY LeDuc, a freshman last year from Tower Hill, is married to Armond Lafredo, a botany major from Charleston. Mr. Lafredo is a member of Phi Sigma

Epsilon social fraternity.

MISS PHYLLIS Oakley, a recent graduate of Eastern, married Mr. Jerry Grueger, also a 1959 graduate. While attending Eastern, Mrs. Krueger was a business major and a member of Sigma Sigma Sigma social sorority. Mr. Krueger, a physical education major from Lincolnwood, is a member of Sigma Tau Gamma social fraternity.

MISS CATHY Jackson, a 1959 graduate from Charleston, married Mr. Don Arnold, also a '59 graduate from Charleston. Mrs. Arnold is a business major and a member of Sigma Sigma Sigma social sorority. Mr. Arnold is a member of Phi Sigma Epsilon social fraternity.

MISS NANCY Ashworth, a senior art major from Mattoon, was married to Mr. Rex Cooley, an Eastern graduate from Charleston, who majored in business. Mrs. Cooley is a member of Sigma Sig-

ma Sigma social sorority and Mr. Cooley is a member of Sigma Pi social fraternity.

MISS JOSIE Hummul, Robinson, married Mr. Earl Legg, a senior business major, also from Robinson. Mrs. Legg is a graduate of Stephens College, Columbia, Mo. Mr. Legg is a member of Tau Kappa Epsilon social fraternity.

MISS ANN Norris, 1958 graduate from Nokomis, was married to Mr. Bill Reid, Charleston. Mrs. Reid is a member of Delta Zeta social sorority.

MISS JUANITA Timmons, a 1959 elementary education graduate from Danville, was married to Mr. Anthony Waters, Charleston. Mrs. Waters is a member of Delta Zeta social sorority.

# Do You Think for Yourself?

(PUT THESE QUESTIONS ON YOUR BRAIN-PAN AND SEE IF THEY SIZZLE\*)

Do you believe that “what’s good enough for your father is good enough for you” is (A) a remark indicating that Father had things pretty fancy? (B) a parental trick

A ☐ B ☐ C ☐ D ☐

to avoid spending money? (C) a statement unconsciously revealing an ultra-conservative attitude? (D) an admission that you, deserve as big an income as Pop?

If you saw a man on his hands and knees in the street, searching for something, would you (A) try to find it before he does? (B) tell him it isn’t worth getting run over for? (C) ask him what he’s doing down there? (D) offer to buy it from him when he finds it?

A ☐ B ☐ C ☐ D ☐

Do you think that the old saw “an apple a day keeps the doctor away” is (A) simply a trick to get you to eat apples? (B) rough on the doctor? (C) a health precept that can apply to other fruit, too? (D) applesauce?

A ☐ B ☐ C ☐ D ☐

Would you choose a filter cigarette because (A) of what is said about the tobacco? (B) you could hardly tell the filter is there? (C) it has the most advanced filter design? (D) it claims to filter well because it tastes weak?

A ☐ B ☐ C ☐ D ☐

Why do men and women who think for themselves usually smoke Viceroy? Because they’ve found out the Viceroy filter

is the best of its kind ever developed, for finest tobacco taste. A *thinking man’s filter*.

And they know Viceroy delivers a rich, satisfying taste that’s never been equaled. A *smoking man’s taste*.

A *thinking man’s filter* . . . a smoking man’s taste. How about *you* trying Viceroy’s?

*\*By the way, if you checked (C) in three out of four of these questions . . . man, you think for yourself!*

The Man Who Thinks for Himself Knows —  
ONLY VICEROY HAS A THINKING MAN’S FILTER . . . A SMOKING MAN’S TASTE!

—Tau Kappa Epsilon, coffee hour, 907 Seventh St.  
—Sigma Tau Gamma, coffee hour, 865 Seventh St.

8:30 p.m.—Sigma Pi alumni banquet, 956 Sixth St.

9:15 p.m.—Class of 1909, fiftieth reunion, Dining Room A, University Union.

10:30 p.m.—Concert, Sauter-Finegan Orchestra, Lantz Gymnasium.

11 p.m.—Coronation of Homecoming queen, Lantz Gymnasium.

12 a.m.—12 midnight—Homecoming dance. Sauter-Finegan Orchestra in Lantz Gymnasium. Johnny Rinaldo's Orchestra in University Union.

## Lab School Enrolls 500

EASTERN'S Laboratory School enrolled an even number of 500 students for the 1959-60 school year.

The nursery of K-4 has 31 students in morning and afternoon classes and the kindergarten or K-5, has 42 students enrolled.

The junior high classes number 120 students, and the other 380 students range from kindergarten through the sixth grade.

All classes, with the exception of the ninth grade, are broken down into two sections. Each section averages 25 students.

Eastern participates in the school in both extra-curricular and curricular activities.

Eastern has 37 student teachers working in the Laboratory School. Most of them are elementary majors.

Eastern students also have access to the Laboratory swimming pool and gymnasium.

The Laboratory School students do not participate in competitive sports with other schools, but have their own intramural activities. These include football, baseball basketball, both for boys and girls. They also participate in golf, tennis, archery and swimming classes.

The Laboratory School puts into practice new ideas in teaching. One new idea being carried out is the teaching of French, starting in the fourth grade. Last year German and Spanish classes were also introduced the school.

## Mums Sale

TODAY IS the last day of the Newman Club pre-sale of chrysanthemums, according to Tony Corse, publicity chairman. Mums may be obtained for the Homecoming festivities at a reduced rate by contacting the representative in your fraternity or sorority.

## Union Program Director Plans New Recreational Activities

THE UNIVERSITY Union is planning to attempt a new recreation policy, with the cooperation of the students, according to Mr. Rudy Gonzales, program director of the Union.

The new program would consist of such activities as dance contests, barbershop quartets, drum contests, scheduled jam sessions, and other activities the students feel should be included in the recreation program of the Union.

Gonzales is asking students to contribute their time and talent to make the Union what they want it to be. He urges any talented individual who would like to participate in the planned recreation program to leave information, including his name, particular talent, and where he may be reached, at the Union desk.

Students are also urged to make

## Textbook Head Tells Purchasing Procedure

PROCEDURE FOR the purchase of books at the Textbook Library has been outlined recently by Henry Arnold, head of the Textbook Library.

When new books are available, they are sold at cost to the University. This usually represents a 20 percent discount from list price plus a few cents transportation.

Used books are sold to students at a 10 percent discount of the cost price for each time the book has been checked out, as indicated by the record on the book card.

No book having cost more than two dollars and being in usable condition is sold for less than one dollar. Discarded books are sold at ten cents each, regardless of condition.

Because of the rush at the beginning and end of each quarter, books will not be sold the first two weeks or the last ten days of any quarter.

suggestions as to how they feel the Union could be improved to make it a place for all the students of Eastern to spend their recreation time.

There are now tentative plans for a "Beatnik Bounce" on October 14. Students would dress in "Beatnik" style if they so desired. A portion of the "Beatnik Bounce" would be devoted to reading poetry and music.

## PDK Installs Local Chapter

THE DELTA Omega chapter of Phi Delta Kappa, professional fraternity for men in education, was installed last Saturday at Eastern.

The installation began at 3 p.m. in the Union Lounge with the examination of 42 candidates for membership. The initiation of charter members followed in the west ballroom of the Union.

Dr. Quincy Doudna brought greetings to the new organization at the installation dinner.

Present at the dinner were Maynard Bemis, Bloomington, Ind., executive secretary of Phi Delta Kappa; Stanley M. Elam, Bloomington, Ind., former director of public relations at Eastern and now editor of the fraternity magazine, and Russell M. Merkel, Indianapolis, Ind., comptroller.

Miss Emma Reinhardt, head of the department of education and psychology, accepted the charter for the university. A response was given by Anton Yakos.

A business meeting and a chapter officers' training conference concluded the activities.

The sponsoring committee for the chapter was Curtis R. Garner, chairman, Ewell W. Fowler, Louis M. Grado, Donald L. Moler and Hans C. Olsen.

the
